P. O. Box 5  
Houston, Texas

Dear Mr Burkhardt:

Enclosed, herewith, please find copy of data forwarded me by Bill Leslie from Washington. This data represents instructions from the Metals Reserve Company as to our operations in the Webb City Area.

I have just received copies of the data from Mr. Herman Jones, attorney of Austin, Texas, having reference to the instruments to be filed with the Secretary of State of Missouri. In accordance with your instructions, I will have Spencer and McPherson, our attorneys here, go over the data and if they believe this is sufficient, I will issue checks as you instruct and have these instruments filed in Jefferson City. At any rate, I will advise you of our attorney's reaction here.

As to the question of insurance, I agree with you entirely as to our protection. I will get up some data here as to the various accidents and liabilities which might arise and forward same to you for your consideration.

Very sincerely yours,

Dear Mr. Cashin:

George has asked that I write you and enclose a copy of the request which he signed on April 27 that a revolving fund be established in the amount of \$25,000. This copy is enclosed, as well as a form to be used in reporting expenditures.

Mr. Brown stated that the amount requested was \$25,000, inasmuch as that was the amount of our budget which was furnished to Metals Reserve. I happened to be present during the conversation with Mr. Cameron (of Metals Reserve Company) and it is my understanding that if the need arises we can obtain additional funds.

Please feel free to call on me if at any time I can be of any assistance to you.

With best regards to you and Mrs. Cashin,  
I am,

Sincerely,

W. H. Leslie
